Creating a brand name, brand mail (I assume you mean branded email), and brand logo in Canva can be done with the help of Canva's design tools. Here's a step-by-step guide to achieving each of these elements:

Brand Name:

Brainstorm: Start by brainstorming ideas for your brand name. Consider what your brand represents, its values, and the products or services it offers.

Check Availability: Once you have a few name ideas, check the availability of domain names and social media handles to ensure your brand name is unique and can be used online.

Design Logo: You can also design a preliminary logo for your brand in Canva by following the steps below.
